PeposeVision
INSTITUTE

October 15, 2026

Dear Patients,

We are writing to share that Dr. Ibrahim Sayed's last day at Pepose Vision Institute will be October 30, 2026. Dr. Sayed is returning home to be closer to his family, where he will continue practicing medicine. While we are sad to see him go, we are grateful for the care he has provided to our patients and wish him the very best.

We understand that a change in your eye care team may bring questions. To help make this transition as smooth as possible, we have partnered with Retina Associates of St. Louis to provide continued care for our retina patients. Drs. Glaser, Territo, Dudney, and Scanlon are board-certified vitreoretinal specialists, and we are confident in the care their team will provide. We have enclosed information about each physician to help you get to know them.

If you have an upcoming retina appointment with Dr. Sayed, someone from Pepose Vision will contact you to help arrange your continued care with the appropriate physician. Patients with stable retinal conditions or those requiring routine follow-up may continue their care at Pepose Vision, depending on their individual needs. If you do not have an upcoming appointment with Dr. Sayed, no action is needed at this time.

The Manchester office is the closest location to our South County office. You may also choose from their other locations:

Manchester	**St. Peters**	**Florissant**	**Washington**
12990 E. Manchester Road, Suite 104 Des Peres, MO 63131 314-872-8884	5700 Mexico Road, Suite 4 St. Peters, MO 63376 636-926-3700	1224 Graham Road, Suite 3011 Florissant, MO 63031 314-839-1211	1701 Heritage Hills Washington, MO 63090 314-839-1211

Our team can assist with transferring the medical records needed for your continued care. If you prefer to see another retina specialist, please contact us for assistance with your records.

Pepose Vision Institute remains available for your other eye care needs. If you have questions about this transition, please contact our office at 636-728-0111. Thank you for trusting us with your vision. We appreciate the opportunity to care for you and to help you through this transition.

Sincerely,

The Physicians and Staff at Pepose Vision Institute

Retina Associates OF ST. LOUIS

Meet Our Retina Specialists

Expertise you can trust. Care centered on you.

David A. Glaser, M.D.

Board-Certified Vitreoretinal Specialist

Dr. David Glaser has more than 20 years of experience providing specialized retinal care to patients throughout the St. Louis area. He earned his medical degree from the University of Missouri–Kansas City and completed his ophthalmology residency at the New York Eye and Ear Infirmary, where he served as Chief Resident. He then completed fellowship training in retina and vitreous surgery and disease at the University of Illinois Chicago Eye and Ear Infirmary. Dr. Glaser has also participated as an investigator in numerous clinical trials and presented at national medical meetings.

Carla Territo, M.D.

Board-Certified Vitreoretinal Specialist

Dr. Carla Territo brings more than 20 years of experience in retinal care. She earned her medical degree from Hahnemann Medical College, where she was elected to the Alpha Omega Alpha Medical Honor Society. Her advanced training includes an ocular oncology fellowship at Wills Eye Hospital, a medical retina fellowship at Northwestern University and a surgical retina fellowship at the University of Texas Southwestern Medical Center. Dr. Territo has also served as a clinical faculty member at several respected medical institutions.

B. Wayne Dudney, M.D.

Board-Certified Vitreoretinal Specialist

Dr. B. Wayne Dudney joined Retina Associates of St. Louis in 2010 and provides specialized care for diseases of the retina and vitreous. He earned his medical degree with honors from the University of Tennessee College of Medicine and completed his ophthalmology residency at the University of Texas Southwestern Medical Center. He then completed a vitreoretinal surgical fellowship at the National Retina Institute in Baltimore. Dr. Dudney also received training in ocular oncology at Wills Eye Hospital and has earned recognition for his contributions to research, education and leadership.

Clayton G. Scanlon, M.D.

Board-Certified Vitreoretinal Specialist

A St. Louis native, Dr. Clayton Scanlon returned home to provide specialized care for patients with diseases of the retina and vitreous. He earned his medical degree from the University of Toledo College of Medicine and completed his ophthalmology residency at Saint Louis University, where he served as Chief Resident and received awards for excellence in research and ophthalmology. Dr. Scanlon then completed a vitreoretinal surgical fellowship at the Vitreoretinal Foundation/Eye Specialty Group in Memphis. He joined Retina Associates of St. Louis in 2015.
